What Transcripts Do I Need and How Do I Submit Them?

- Transcripts are required as part of the online application and to clear conditions after you have been admitted to the program.
- The information below highlights the documents you need to submit in the online application portal.
- Official paper transcripts will be requested by the Faculty of Graduate Studies and Research (FGSR) after admittance into the program. The transcripts must be sent directly from the issuing institution to FGSR after you are admitted and the address can be found in your official FGSR issued admission letter.

Transcript Requirements for the Online Application Portal

Canada

- Transcripts are required for all post-secondary courses you have taken. If you have taken any transfer credit or exchange courses you must upload the corresponding transcripts to the application portal. Transcripts must also be submitted for in progress and incomplete courses.
- Official transcripts are preferred but unofficial transcripts will be accepted only if they include the following: the system's URL, print date, your full name, name of the institution, academic program, grading scale, names and numbers of courses, the years and terms of attendance, credits, and grades received.
- Submitted transcripts must have been issued within the last year. Older transcripts will be accepted for education completed outside of North America.
- Degree certificates must be uploaded if your transcript does not list the degree awarded and the conferral date.
- Scan your transcript(s) and upload the PDF files to the application portal. Please do not send paper copies of transcripts or documents to the Faculty of Business or the Faculty of Graduate Studies and Research offices unless they are requested in an official offer of admission.
